

SCHOOL NEWSLETTER

29.09.17 No. 01

Dear Parents and Carers,

This week I have had the pleasure of meeting many of you at our Harvest Assembly and Macmillan Coffee morning. I have listened carefully to your views and as a result I am pleased to tell you that a newsletter will now be sent home more frequently. I have also discovered that the school has a Twitter account. This was last used in 2012. Look out for future tweets from the school as this will be a useful tool for communication. You do not need to have a Twitter account to read tweets. twitter.com/LG_School A great deal of work has been completed on the website and this will be further developed in the coming weeks. <http://www.littlegreen.w-sussex.sch.uk/>

In the coming weeks I will be sending home information regarding some new rules and routines. It was interesting listening to your views on changes that can be made. I had one conversation with two parents about a very exciting project they are planning. Details will follow as plans progress!

I would like to take this opportunity to thank the staff team for their enthusiasm and welcoming attitude during the past few weeks. They have many ideas for further developing the school and I am fortunate to have such a strong and positive team in place.

Tutor Group Newsletters will be sent home this week. These will provide you with an outline of the term's learning, trips and things to remember.

A Meet the Teacher evening is planned for later this half term and details will follow.

I hope the weekly newsletter, new website and Twitter account will go some way to improving school/home communication.

Kind regards

Miss P Ridgwell
Headteacher

Academic Year Dates

18.10.17 Meet the Teacher 3 - 6pm
20.10.17 Last day of half term
06.11.17 Mock exam week

95%

British Value this week

Britain is a democracy. Your opinion counts.

Our Harvest table was finished beautifully with the addition of a Harvest Loaf made by Mrs Hodgett. Thank you sending in Harvest gifts. These will be donated to St Wilfred's Hospice in Chichester. The hospice provides tailored end of life care both in the community and at our Hospice in Chichester, supporting patients living with a terminal illness, and their family and friends.

**WE ARE
MACMILLAN.
CANCER SUPPORT**

Thank you also to those who attended our Macmillan Coffee Morning and sent in cakes and donations. There were some beautiful cakes to buy provided by parents/carers and the pupils. We also used the new meeting room for the first

time which provides a spacious place to meet as well as a beautiful view of the grounds and South Downs beyond.

Thanks to your efforts the school has raised **£160.00**
